

## EXTREME WEATHER POLICY

CURRENT VERSION:	2022
LAST REVIEWED:	NOVEMBER 2022
NEXT REVIEW DATE:	MARCH 2023
APPROVED BY:	ACT MASTERS HOCKEY COMMITTEE

**ADOPTED BY ACT MASTERS HOCKEY: 15 SEPTEMBER 2020**

ACT Masters Hockey and its volunteers (including managers, coaches and umpires) have a duty of care to ensure that players are as safe as is reasonably possible when participating in matches. In relation to weather conditions, the safety of individuals participating in ACT Masters Hockey events is of paramount importance. ACT Masters Hockey adheres to the Hockey ACT Extreme Weather Policy. The policy can be found by following this link:

<https://cdn.revolutionise.com.au/cups/hockeyact/files/tcy7wzutexzyh5pm.pdf>

In the event of extremely bad weather that is likely to have a direct impact on the Monday Night Masters Competition the ACT Masters competition coordinator will make a decision by 12:00pm on the day of play as to whether any games need to be cancelled. This is to allow time for Team Coordinators to advise all players of the cancellation and prevent unnecessary travel to Lyneham, Tuggeranong or Goulburn.
