## WELCOME TO THE INTERCITY MEN'S MASTERS HOCKEY CHALLENGE IN 2023

#### FROM THE PRESIDENTS

#### **ACT MASTERS HOCKEY ASSOCIATION inc**

Welcome to Canberra for the third annual Merv Goodridge/Doug Dawson Cup.

I am particularly proud to see this carnival has outlived its original purpose - that of a return to hockey event to get our friends in Sydney back on the field. Back in 2020, Australia wide COVID lockdowns had meant players in Sydney had played no hockey and with opening set to occur well after the normal season a Canberra-Sydney challenge seemed the perfect solution.

We all should take pride in the fact that the spirit of masters – good friends, hard hockey, and good times - shows that good ideas outlast the requirement of the times.

To our guests, I hope you enjoy the experience and the friendship as well as our city, in what is one of the most spectacular times of the year.

ACT Masters use this event to introduce new players to the concepts of representative hockey. I hope you all enjoy the weekend and that it creates a thirst for this kind of competitive hockey that will test you. We hope to see you all nominating for NSW championships next year and even the trip to Hobart with ACT.

A big thank you to Brett Wallace and his crew for their organisation of the event, and of course to my counterpart from Sydney Masters, Greg Kay, who handles the event from that end.

Good luck to all.

SYDNEY MASTERS HOCKEY ASSOCIATION

On behalf of Sydney Masters Hockey, we are again looking forward to the 3rd year of

the 2023 Intercity Men's Masters Hockey Challenge with our long time Masters

Hockey friends from Canberra.

Sydney are looking forward to travelling to Canberra for the 2023 Challenge and

playing at the world class ACT Hockey Centre.

We trust that all of the players (and their families) together with the officials who are

participating in this now annual series will continue to bring a competitive and fair

play spirit on the field for all games and then enjoy (as is customary in Men's Masters)

some well-earned hospitality afterwards, including the sharing of the special

mateships from those memorable hockey experiences.

Thank you again to ACT Masters Hockey Committee (and particularly to Craig

Johnston and Brett Wallace) for your co-operation and assistance with all the

important arrangements and the commitment for this annual Intercity Masters

Hockey Challenge.

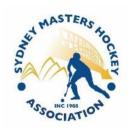

May the city with the best overall team results over the weekend be awarded The

Merv Goodridge and Doug Dawson Cup and continue to build on this highly successful

and important annual Intercity Men's Masters Hockey event.
